

Session VIII

Guidelines For Conducting Video Options For SFST Training

Session Objectives

Given an opportunity to apply basic adult learning theory, using the information provided in the classroom and materials in the manual, participants will be able to:

- Discuss the use of IACP/NHTSA videos of drinking subjects in SFST Training.
- Coordinate the presentation of the IACP/NHTSA videos to provide for an efficient and effective learning experience.
- Describe the two options for SFST Training.
- Describe the maintenance and use of the SFST Field Arrest Form.

1. Video Option One:

- One Video Use (Session XI-A)
- One Live Alcohol Workshop (Session XIV)

2. Video Option Two:

- Use of Videos for Sessions XI-A and XIV-A

Note: Only IACP/NHTSA approved videos are acceptable.

Procedures For Using Videos

1. Divide class into two groups.
2. One group practices – one group views videos.
3. Record observations on SFST log.
4. Discuss BACs during wrap-up.
